You may be aware that over 2200 schools in NSW lost access to emails, payment processing and other important applications over the last couple of weeks. You could imagine this had a significant impact upon the day to day operations of the department. Most schools have had their access returned and are once again functioning as normal. Please accept our apologies for any inconvenience you may have suffered as a result.

Spellathon
Congratulations to all our students, staff and the Fund Raising Committee on their outstanding success with the Spellathon. The school technology committee (ICT) have already drawn up a budget plan to purchase additional ipads for the school.

School Reports
Mid-Year Reports have been distributed this week for our 1082 students, no mean feat! A big thanks to the staff and their supervisors for their hard work and diligence.

It is probably worthwhile to reinforce that such reports are a snap shot in time of a student’s achievement. Primary schools in NSW follow a curriculum based on stages of learning. Each stage is approximately equivalent to two school years. So as a student moves through a stage, the learning expectations alter as they reach the more complex aspects of the curriculum. For each learning stage there are skills, knowledge and a level of understanding that each student should develop.

Early Stage 1 refers to Kindergarten
Stage 1 includes Years 1 and 2
Stage 2 includes Years 3 and 4
Stage 3 includes Years 5 and 6

Not all assessment occurs in a formal sense as can be seen from the photo opposite. Will from Year 4, as a result of his class work on Ancient Egypt, demonstrates his knowledge and skill by constructing a boat made of 300 reeds, as a replica of the first early Egyptian vessels made of bundled papyrus reeds.

SAFETY AROUND SCHOOLS
Warringah Council and the Transport Roads and Maritime Services are engaged in maintaining safe practices around schools and their precincts. Keep our children safe by knowing the road conditions and using some of the tips set out elsewhere in the Doolooboorah. Remember: It is better to park for safety and not convenience!

School Development Day Monday 15 July 2013
Just a reminder that all staff will be participating in a professional training day reviewing the National Curriculum.

The staff would like to wish all our students a safe and restful Winter vacation. All students return to school on Tuesday 16 July.

School Zones - Keep Our Children Safe School zones operate between 8-9.30am and 2.30-4pm on school days. Remember the speed limit is 40km/h in all school zones.

Parking Around School Zones

**No Stopping**
Vehicles may not stop in a No Stopping area for any length of time, no matter how short. Dropping off or picking up passengers is not permitted in these areas. A continuous yellow edge line also indicates a No Stopping zone.  
**Fine: exceeds $265 and 2 demerit points.**

**No Parking**
Vehicles may stop in a No Parking area to pick up or drop off goods or passengers provided drivers stay within three meters of their vehicle and are not parked in the No Parking zone for longer than two minutes.  
**Fine: exceeds $147 and 2 demerit points.**

**Bus Zones**
Must be kept clear at all times. Vehicles that are parked and stopped in bus zones create problems for bus drivers pulling into and out of these bays. Buses forced to double park and manoeuvre through inadequate space is extremely dangerous. It is illegal to stop in a bus zone for any period of time. Fine: exceeds $265 and 2 demerit points.

**Double Parking**
Vehicles may not stop next to legally parked vehicles, even for a short time. Double parking reduces the visibility for other motorists and pedestrians and it can also cause other motorists to drive on to the wrong side of the road in order to pass.
It is illegal to park within three metres of double white centre lines. Fine: exceeds $265 and 2 demerit points.
The following behaviours put children at risk outside the school
● Calling children across the road.
● Dropping children on the wrong side of the road.
● Leaving children in a vehicle without adult supervision.
● Double parking.
● Parking in a bus zone or driveway.
● Making an illegal U-turn.
Craig Davis Principal

P and C Meeting Tonight 26/6
7.30pm in the staffroom.
From the Deputy Principal

Sporting Achievements
Congratulations to our boys AFL team on placing 2nd at the State Carnival last week. The team progressed to this stage after winning the competitions at zone and regional levels. Mr Addicott, the team coach, was thrilled with the commitment and courage of the team throughout the tournament. Mr Addicott was equally impressed with the sportsmanship of the team and he was very pleased to hear from Paul Roos, former coach of the Sydney Swans, who commented that the boys were to be commended for their outstanding sportsmanship during and at the conclusion of the final. Well done Mr Addicott and boys.

I received news during the week that Guiseppe Plati received a medallion as best and fairest player representing Metropolitan North Rugby League team at the recently conducted State Rugby League Carnival. This is an outstanding achievement at this level of competition. I know also that Guiseppe was close to selection in the NSW team which was picked following the carnival. Well done Guiseppe. Mrs Latu, a year 1 teacher at our school was thrilled to hear that her talented son Tom who was in the same team as Guiseppe, gained selection in the NSW team at the end of the carnival. Well done Tom, mum and dad are really proud of you.

Extension Studies
Well done to following students on successfully completing their extension studies program during terms 1 and 2. The students were wonderful representatives of Harbord PS and received glowing reports from the program teachers.
Balgowlah Campus - Kate Meehan, Emma Cook, Gus Geyer, Ewan Hughes, Lachlan Burnet and Tom Kelsey.

The following year 6 students have been nominated to attend the semester 2 extension studies program.
Freshwater Campus – Poppy Carroll, Charlotte Edwards, Jarrah Mewing and John Reilly.
Well done boys and girls.

End of Term
Thank you to staff, students and parents on another successful term at Harbord PS. We wish all our staff and students a restful and enjoyable holiday period. All students are expected back at school on Tuesday 16th July.

Brian O’Rourke
Socceroos Report
On Tuesday 18th June, 50 Harbord students joined over 80,000 Socceroos supporters at ANZ Stadium to watch the Australia vs Iraq World Cup Qualifying match.
Before we left school we demolished 26 pizzas between us and then hopped on the bus to begin our journey to ANZ Stadium. It took us just over 1 hour. When we arrived we saw lots of other schools also waiting to do the march past. After a while we got into our lines, got our school sign and started to walk into and around the stadium. The camera went on our school about 3 times. When we got our seats it started to rain. It rained throughout the whole match. At half time the score was 0-0 and then in the 80th minute Australia scored and booked their spot in the World Cup in Brazil. We went crazy!! Our school was very happy. The final score was Australia 1 Iraq 0.
After the game we got back on the bus and came back to school. It was about 11pm when we got home. Everyone was dripping wet. We had a great time and would like to thank Mr Addicott for organising this for us.
Simay and Imogen 5A
Spellathon Wrap-Up:
Congratulations to all members of our school community who supported our inaugural Spellathon. Not only was this a great learning opportunity for our students, but also a huge successful fundraising event. We have now raised around $21 000! This will enable us to purchase for our school:
- 40 ipads
- covers for all
- a trolley for storing, charging and syncing Apps
- a mac computer (required to add and sync Apps)

These have now been ordered and should arrive so that we can begin to use them in classrooms after the holidays.

A special mention must be made to the following classes for their outstanding contribution (at last count):
- 1W $1 271
- 3/4K $1 095
- 2FS $798

We would also like to thank Suellen Dennehy and Jo Smith, who counted, processed and banked all the proceeds, a huge job!
Ms Lisa McKenzie
Relieving Deputy Principal

Soup: Soup is available term 2 & 3. Great way to warm up on chilly days in the playground! $2 for a cup + wholemeal roll – awesome value. See flexischools for weekly special. All soup made fresh on the premises using a great thermomix stock base donated by Katie Golden. No additives or preservatives – just wholesome veges. Thanks for the photography Danielle!

HAPPY ½ HOUR FRIDAYS….. Last day of term – come and celebrate!!! Have a great holiday everyone and thanks once again to the fantastic team of volunteers who have helped this term.

Supply of Hot Water for Noodles and Reheating Students Meals from Home: Unfortunately we are not able to fill Fantastic noodles with boiling water. The main reason is the risk factor of children carrying boiling noodles in a crowded area and the secondary reason is it is too time consuming when we are at the busiest time of the day trying to serve. This also applies to reheating meals bought from home. Your understanding with this would be greatly appreciated Jan Baldwin Canteen Manager
**Fundraising News and Update**

- **Entertainment books** for sale: $65 (20% goes back to the school)
- **only until 30th June**
