CONGRATULATIONS

Congratulations to our dancers and to our members of the Northern Sydney Primary who performed so brilliantly at last Thursday ArtsNorth Festival at Sydney Town Hall. The night provided the audience with a quality program with polished choral and musical performances. Congratulations to our very own and very talented Ms Doyle, who co-conducted the 500 voiced combined choir. Outstanding!

SPORTS TEAMS AND COACHES

It is a busy time for all our teams and their coaches as they move towards the conclusion of the winter season. Thank you one and all for adhering to the highest expectations of the sporting code.

RESILIENCE ROBBERS- More from Michael Grose

Michael Grose is a parent educator and has identified times that we inadvertently rob our children of the opportunity to further develop resilience. In his paper he terms these times as “resilience robbers.” The description of these resilience robbers make for interesting reading.

Robber #4: Put unrealistic pressure on kids to perform:

Grose writes; Expectations about success and achievement are important. Too low and kids will meet them. Too high and kids give up. Too much and kids experience anxiety.

Resilience notion #4: Keep expectations in line with children’s abilities and don’t put excessive pressure on them.

THANK YOU

- For not bringing your dogs into school
- For increased vigilance with pedestrian safety (particularly not using driveway entrances)
- For assisting with providing explanations for student absences within seven days.

SCHOOL REQUEST FOR AN ASSESSMENT OF A CROSSING SUPERVISOR FOR WYADRA STREET CROSSING

The school has sought an assessment of the Wyadra Street Crossing to determine if it meets the criteria for a Crossing Supervisor.

The Assessment of requests for a School Crossing Supervisor assesses the nominated site against set criteria. According to the RMS, for a site to be eligible for a School Crossing Supervisor it must meet the following criteria:

- The site must have an existing children's crossing, pedestrian crossing (zebra) or combined crossing (children's and zebra).
- The crossing must be used by infant and/or primary school children.
- The site must be located within a 40km/h school zone.
- The crossing must be used by a minimum of 50 unaccompanied infant and/or primary school children per hour across a road carrying 300 passenger car units per hour within the morning and afternoon school zone times.
- The site must be considered a safe working environment for a school crossing supervisor.

EDUCATION WEEK AT HARBORD: Cultural Concerts

These concerts are a wonderful showcase of the amazing performance groups in our school as well as our Public Speaking Competition Grade Winners. As our school has grown in numbers and due to the popularity of these concerts in the past, we will be holding two events this year to maximise our audience capacity.

The Junior Concert will be held on Monday 12th and the Senior Concert is on Wednesday 14th. There will be a full dress rehearsal on the day of each performance.
K-2 children will attend the Junior rehearsal and Years 3-6 will attend the Senior rehearsal.

Tickets for evening performances are $5 each (primary and pre-school children are free) and will be sold at the door only.
The Concerts will begin at 7pm (doors open 6:30pm) and will conclude by 8:30pm.
Participating students will need to be at school by 6:30pm.

NAIDOC WEEK
This year NAIDOC week fell in the school holidays, so HPS instead celebrated this event during week 9 of Term 2. As Australians, it is important that we all recognise the heritage of the original inhabitants of our great country and take note of many of the wonderful things they have achieved and the positive influences they have had in a number of areas, including: politics, sport, art, music and academia.

Classes across the school took part in a number of educational activities, some examples of which included: choosing a class totem (eg 4C Turtles) and reading Dreamtime stories related to this; studying the clan and language maps of our Indigenous people and comparing and contrasting these to our more common State and Territories maps; looking at the clan groups of our local area (Kuringai) and considering how Indigenous people lived in the local area; identifying and studying a more recent Indigenous Australian and their positive influence on our nation; studying the components and history of the Indigenous flag; learning some Indigenous words and phrases and singing of Indigenous songs, all to name a few.

Class 4C created a Rainbow Serpent through the middle of the playground and had a lot of fun doing so.
