Opera House Choral Concert
Congratulations to all those students who had the opportunity to perform at last week’s Choral Concert at the Opera House. What a great thrill to be on stage at the iconic venue and to perform at such a high level. Well done one and all! Special thanks to Ms Doyle and Mrs Montgomery for all their preparation and support.

Bendigo Piggy Bank Passbook Weekly Collection
The Freshwater Community Branch of Bendigo Bank has an initiative to make consistent banking for children that little bit easier. The bank has arranged to collect Bendigo "Piggy Bank" deposits from the school each Wednesday commencing Wednesday September 3rd. The students’ passbooks will be returned on Friday each week. Please note the collection service will only be for the Freshwater Community Bank (Branch of Bendigo Bank) and is for school aged account holders currently attending Harbord Public School.

The Bendigo Bank has the support of the Harbord Public School Parents and Citizens’ Association in this endeavour. The Bendigo Bank has the support of the Harbord Public School Parents and Citizens’ Association in this endeavour. The Bendigo bank will also provide Banking Kits on request for those students interested in having the ability to bank weekly.

Roles and Responsibilities for the pilot collection service
- Harbord Public School Parents and Citizens Association has negotiated with the school to provide a location within the Administration foyer for the purpose of the collection of Bendigo Piggy Bank Passbooks
- It will be Harbord Financial Services Limited-franchisee of Freshwater Community Bank Branch’s responsibility to arrange for identified personnel to collect and return the Bendigo Piggy Bank Passbooks to students on a weekly basis.
- The Bendigo bank is to provide Banking Kits and Banking information for prospective account holders
- The Bendigo Bank is responsible for all passbooks and banking details

Artist in Residence
The school has been offered an opportunity to provide an “Artists in Residence” pilot project. One of our community’s creative designers and artists has kindly offered to run a project for 20 students once per week during lunch. From cardboard to watercolour our artists will experiment with techniques, subjects and materials to create a mini exhibition at the end of term. Fiona Chandler is the central to supporting this initiative and we are grateful for her commitment. It is proposed that at the completion of each term a new group would be invited to take part. Similar to Garden Gurus the program is designed to give children a chance to run with their imaginations and create visual stories of the world as they see it.
Please note: If there is more than 20 students’ names would be drawn at random. Expression of Interest forms will be available from Administration and distributed via email this Friday. No expression of interest forms will be accepted until next Monday 18 August. When returning the forms please place them into the appropriate boxes, K-2 or 3-6.

Congratulation to all our City to Surfers

Last weekend was a busy one for our Northern Beaches runners. Congratulations to everyone who took part. One notable participant was our very own Gordon from Year 5. Gordon by his own admission doesn’t list running 14kms among his list of favourite activities but this time he was running for someone else. Gordon decided to put himself outside his comfort zone in an effort to raise funds to support a close member of our school community who is having extensive medical intervention. On his own, Gordon manage to raise $1850. Well done, Gordon!

Road Safety

Everyone is in a hurry these days and it is important that we all remain alert and aware around schools. As well as the key points below please don’t leave children unattended in parked cars. We had someone quite distressed contact the school concerned that a child had been left unattended for some time. Some key points to remember around schools as set out below.

Road Safety

Key points to remember around schools

6. Driving and parking safely near the school

- School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.
- Always take extra care in 40kmh school zones, which operate on gazetted school days.
- Park safely even if it means walking further to the school gate.
- Observe all parking signs. They are planned with children’s safety in mind.
- NEVER double park as it puts children at risk.
- Model safe and considerate behaviour for your child — they will learn from you.

- Slow down near the school crossing.
- At a supervised crossing, observe the directions of the school crossing supervisor.
- Always park and turn legally around the school.
- Avoid dangerous manoeuvres such as U-turns and three-point turns.
- Always give way to pedestrians particularly when entering and leaving driveways.
- Avoid parking across the school driveway or the entrance to the school car park.
- Using your school’s drop off and pick up facility will help keep all children as safe as possible during the busiest times of the school day.
- Avoid parking in or near the school bus bay.

Year 6 Canberra Trip
A big thank you to the year 6 teachers for ensuring a safe and enjoyable Canberra excursion for our year 6 students last week. The weather was excellent and the students enjoyed all the excursions to the points of interest in Canberra. The presentations at the War Memorial, Electoral Commission, Parliament House, Institute of Sport and Questacon were all first rate. The students exhibited outstanding knowledge of Parliamentary systems and participated effectively in the role play activities in the House of Representatives and the Senate. The highlight however, was the day in the snow with boundless energy exhibited throughout the day in the snow.
Well done boys and girls in year 6 for ensuring an exhausting 3 days for your supervising teachers.

Stewart House Clothing Bags
We have organised an additional pick-up of Stewart House bags for Monday 13th August. If you have not returned bags as yet you still have until Monday to do so. Thank you to families who have already returned clothing bags.

Winter PSSA Finals
Winter PSSA finals are being held on Friday 10th August. We wish all our participating teams good luck in the upcoming finals.

Touch Football
Well done to our senior teams on their victories in round 2 of the touch football competition. The girls defeated Lane Cove West 8-2 and the boys won 9-2 also against Lane Cove West. Both teams now progress to round 3 matches to be played by week 6.

7th Annual Harbord Short Film Fest: It’s On Again!

Lights, Camera, Action!!
The 7th Annual Harbord Short Film Fest will be held in Term 4, Week 7 (Wednesday 19th November 2014 from 7pm in the Hall).
But we need a theme...that's where YOU come in. We have again asked students to choose the theme for this year's Short Film Fest. It can be anything. Past themes have been Light Bulb (2013), Famous Movie Lines (2012), Number 11 (2011), Water (2010), Infinity (2009) and The Letter H (2008). By the time you read this, our 2014 theme will have been chosen, with the winner receiving a Prize and everlasting fame.
All entries must be handed in on a DVD or USB by the end of Week 3 of Term 4 (Friday 24th October), accompanied by a large cinema-quality poster for display. Films are restricted to 3 minutes. That's why it's called a Short Film Fest. The Short Film Fest Committee will preview your films and let you know if your entry is successful.
To ensure high quality films are produced, I will conduct an Information Workshop in 5A at Lunchtime on Wednesday 20th August (Term 3 Week 6). Further workshops may be offered over the next few weeks.
This is a great school holiday activity to keep budding film makers busy. So buddy up with your friends and start thinking about your project. You have 10 weeks. Camera rolling!

Production 2014

Preparations for the 2014 school production have well and truly started. The teachers are amazed at the amount of talent that the students have exhibited in the primary auditions and we are all looking forward to getting the wheels turning. The Harbord Public School Production is considered the highlight for many of the Year 6 students and the 2013 production was regarded one of the best yet. We would like follow up in 2014 with a spectacular to be enjoyed by students and parents alike. While the students are working hard in their dedicated areas, whether it be on or back stage, parents will also play an integral part in making this year’s production a success. The backdrop is an important part of any production and we are seeking help throughout the parent body in the creation of our setting. If you have relevant creative skills and are willing to help we would appreciate hearing from you.
We thank you for your continued support in anticipation for our 2014 production.
Kind Regards
Year 6 Teachers.
