Even though the sun made a brief appearance on Sunday, it was the right decision to postpone the Almost Spring Fair. Well done organising committee. What happens next will depend upon the availability of the rides. Stay tuned for an update.

Congratulations to our District Athletics Competitors
Thank you to the students who represented the school this week at the District Track and Field Athletics Competitions. We are very proud of your efforts and the way in which you conducted yourself. Thank you to Mr Holmes and staff for all their organisation and effort.

School Administration and Support Staff Recognition Week – Monday 1st – Friday 5th September
THANK YOU OFFICE AND GROUNDS STAFF! We love your work!

Intergenerational Art Exhibition
Thank you to those students who have been bringing in their artwork for the Intergenerational Art Exhibition. We are still keen to collect as many as possible. The initiative is being promoted by the WG Taylor Village Wesley Mission Aged Care Facility. The theme for the artwork is “TREES”. Students should clearly label their artworks with their name and school and can drop any artworks done at home into my office. Artwork will begin to be collected from Monday 6th October. The General Manager of the WG Taylor aged care facility is one of our parents. The Art Exhibition will take place at the Wesley Taylor Aged Care Facility from Monday 10th November.

Bendigo Piggy Bank Passbook Weekly Collection
We have already had some very keen students dropping off their Bendigo Piggy Bank Passbooks today. The Piggy Bank Passbook Weekly Collection started Wednesday September 3rd with the students’ passbooks due for return on Friday. The Bendigo Bank collection box is in the Administration Office and students are required to drop them in before school. There will be no collections made in the classrooms. The service is being provided by the Freshwater Community Bank (Branch of Bendigo Bank) and is for school aged account holders currently attending Harbord Public School. There are some application forms in the school office if you are interested but you do have to drop into the bank to open any accounts.

Administration of Medication
It has been one of those years and we do expect that students may be asked to bring medication to school. We ask that if you do send medication along to school that you please provide a note which includes the student name, class, date, type of medication (prescription), dosage, times to be administered and duration. Please sign your requests. There are forms available from the front office.

A reminder:
1: Thank you for ensuring that students are not at school before the commencement of playground supervision. Supervision commences at 8.40am.
2: Thank you for being considerate when driving and parking around school zones. Thank you for not speeding, parking in No Stopping areas, driveways or Bus Zones. Thank you for using the pedestrian crossing.
3: Thank you for making non-essential appointments outside of school hours.

Manly Hospital Site Community Survey
The MHCAG community survey is available online at: www.surveymonkey.com/s/5PM5YXZ. Submissions close on Friday 17th September. For more information please contact the Manly electorate office 9976 2773 or manly@parliament.nsw.gov.au

Regional Softball
Congratulations to Chelsey McKay and Jessica Van Der Heide who represented Metropolitan North at the State Softball Championships at Manly last week. Metropolitan North won the championships winning the final 8-3 against CIS (Combined Independent Schools). Well done Chelsey and Jessica on this outstanding achievement.

Bear Pit Public Speaking Competition.
Addison Nitz (3H) and Barney Brownlow (5S) delivered their talks from the Speaker’s Chair in the Legislative Assembly Chamber at Parliament House last Friday. Addison and Barney both spoke impressively with Barney winning the year 5/6 category. Well done Barney and Addison.

Regional Rugby Union
Congratulations to Nathan Gartner who was a member of the Metropolitan North Rugby Union Team that placed 3rd at the State Rugby Union Championships at Kiama.

Manly Zone Athletics
Harbord participated in the Manly Zone Carnival at Narrabeen on Monday and Tuesday. Many of our competitors qualified for finals despite limited preparation due to the wet weather. Several of our students placed in finals and will represent Manly Zone at the Regional Carnival at Homebush Stadium on Monday September 8th. We will have a full summary of results from the Manly Zone Carnival and Regional Carnival in next week’s Doolooaborah. Thank you to Mr Holmes, Mr Sly, Mrs Cummins and Mrs Walton who attended the carnival and looked after our competitors despite having official carnival duties.

School Photographs
An album of photographs of our Winter PSSA teams and Cultural groups is on display in the school office. Students are able to order copies of these photographs by using the order envelopes available from the office ladies. Orders for photographs close in week 10 of this term.

MS Readathon
The reading period has now finished and it is time for participants to collect sponsorship money and send to MS Readathon. Thank you to the students who have registered online for the MS Readathon 2014. The collection period concludes at the end of September.

7th Annual Harbord Short Film Fest: Ring

Lights, Camera, Action!!
The 7th Annual Harbord Short Film Fest will be held in Term 4, Week 7 (Wednesday 19th November 2014 from 7pm in the Hall).
This year’s theme of Ring was chosen from a field of over 400 suggestions, and the lucky winner was Harry Austin in 4C, who received a merit certificate for his creativity. His idea carries on a fine Harbord tradition of students choosing the yearly theme. All films will need to feature Ring in any way, shape or form. My dictionary has over 30 meanings of Ring. We look forward to another year of wonderful films.

All entries must be handed in on a DVD or USB by the end of Week 3 of Term 4 (Friday 24th October), accompanied by a large cinema-quality poster for display. Films are restricted to 3 minutes. That’s why it’s called a Short Film Fest. The Short Film Fest Committee will preview your films and let you know if your entry is successful.
This is a great school holiday activity to keep budding film makers busy. So buddy up with your friends and start thinking about your project. You have 9 weeks. Camera rolling  Paul Kelly

Be a Harbord Waste Warrior and join Cloe’s Clan!

Did you know that the average Australian household produces 400kg of waste per year? Aluminium cans are so valuable to recycle; it takes so much energy to produce one can. 20 cans can be recycled for the same amount of energy! As part of EnviroWeek 2014 we are focussing on how we can compost our food waste and recycle more of our rubbish so it doesn’t get buried in landfill.

Our students are learning to separate their waste according to whether it can be composted, recycled or has to end up in landfill. Each class has a set of colour-coded bins as well as bins in the playground for children to sort their waste.

Fruit and vegetable scraps are going direct to our compost bins and keeping whole colonies of worms extremely happy and helping grow our amazing vegies in the school gardens.

Our other food waste is going to a brand new composting machine, affectionately known as Cloe, which transforms our food scraps into a garden additive in just 24 hours.

Finally all our cans and hard plastics are now being sent to recycling rather than landfill, saving up to 660L of landfill each week!

A true win, win, win for the world.

And a valuable life-lesson for our kids that they can make a difference in their world.

The Australian Maritime Museum

Last week 2B went to the Maritime Museum. I was excited as a bunny. I was also very lucky that my Dad was a helper. Tahlia, Evie, Jelle and Zane were in my group.

On the bus my Dad and I played some games. We finally arrived at the Museum. First we ate our recess. After that we listened to the rules.

For our first exhibition, we did ‘Going Places’. It was marvellous! There was a chair that hovered. Now I think that’s interesting. One of my favourites was the cycle race. There was also a modern car that you pack. Everything was as interesting as a fact book!

A few minutes later we were standing outside a massive submarine. It was called ‘The Oslo’. When we stepped inside, boy it was amazing! There were two massive bullets called torpedos. There was also an escape hole. When we entered the bedroom, I was speechless! The beds were tiny! How could they get any sleep?

After that we did the tour. I learnt that surfing was made for travel but now it’s for fun and in Darwin, boats are made from beer cans.

I felt full of joy. My favourite part of the excursion was “Going Places”. I love excursions because they’re full of surprises.

By Cara 2B

Last week 2B went to the Maritime Museum. We went in the museum, went on a submarine and looked at Captain Cook’s ship.

First we went to an exhibition. There was a mini hovercraft, cargo ship that you had to stack foam cubes onto and a bike game.

Next we went on a submarine. We saw the squishy bunks. It looked very uncomfortable. There were also missiles. The toilets were tiny as well!

After that we looked at Captain Cook’s ship. There were heaps of ropes. You had to climb the ropes to pull down the mast.

Finally we went on a tour around the museum. We saw a boat made out of beer cans and a navy helicopter. We also saw a racing boat that won a gold medal in the Olympics.

I learnt that in a submarine, the thing you look into to see above the water is called a periscope. I can’t wait until our next excursion.

We now have a new date!

We understand that this date may not be good for everyone, but we have to work with the dates that Joylands have available.

We will have ALL the BIG rides on this day!

Armband tickets and lootcards: We are waiting on more rides’ tickets to be delivered this week, so if you have pre-ordered they should be sent to your child’s class soon.

Refunds: If you cannot make the date, place your lootcards and armband ticket into an envelope (with your name and contact details) Drop into the P&C box and we can refund your money.

Thank You for all your emails and messages, we really appreciate your support.

As most people know there is lot of work that goes into the planning and organisation of such a big event. The only thing we could not control was the weather in the lead up to Sunday. We will ask for donations again in October.

If you have any donations for The Silent Auction or Chocolate wheel, please email:

suellend@bigpond.com

Thanks, Suellen, Heather and Jo

Flexischools online ordering: Online only way you can place an order for your child’s lunch from the canteen. Please register at www.flexischools.com.au

Gluten Free Options are now available for garlic bread and bacon & egg sandwiches. Please update your gluten / dairy free dietary needs with the office so that I am aware of your child’s status. Please be aware when ordering that much care is taken to ensure that there is no cross contamination with these orders. If we receive an order for a pie with a gluten free gingerbread or garlic bread we will substitute the gluten free item with a wheat based item. If your children place their own orders could you please explain what gluten free means?

Volunteers Needed: If you are able to help out on Thursdays please let me know.
